PH: IHGF Textiles

India's [Export Promotion Council for Handicrafts \(EPCH\)](#) will organize the IHGF Textiles Virtual Fair, the Indian show for furnishing, textiles and flooring in a virtual format from 15 to 18 June. The show will display weaves, surface detailing, florals, shots of colour, block printing, ajrakh, chhipa work and applications with monochrome, ombre and contrasts.

[Natural fibres](#) and sustainable materials will be exclusively focussed on during the fair. It will also showcase enticing ikat compositions, hand-crafting techniques, pop-culture tones in furnishings and made-ups, cushions and comforters, floor furnishings from around 12 clusters in India, rugs, runners, carpets, mats and flooring options.

The show is well suited for international buyers, including importers, wholesalers, distributors, retail chains, merchandisers and interior designers, according to a press release from the organizers.
